FISCAL REVIEW COMMITTEE

FISCAL NOTE

HB 137 - SB 142

March 5, 2023

SUMMARY OF BILL: Reorganizes provisions regarding specialty earmarked and new specialty earmarked license plates. Eliminates outdated provisions referring to the obsolete Street Rod specialty earmarked license plate.

FISCAL IMPACT:

NOT SIGNIFICANT

Assumptions:

- Currently, most specialty earmarked license plates have their own section that is titled by the name of the specialty earmarked license plate.
- The proposed legislation reduces the number of sections in Tenn. Code Ann. § 55-4-3 from 99 to 53 by grouping specialty earmarked license plates together by subject matter.
- The proposed legislation does not add or remove any currently available specialty earmarked license plates.
- The proposed legislation will require a substantial reorganization of county clerk guides, forms, and website information distributed by the Department of Revenue. Any increase in expenditures from updating and reorganizing this information will be not significant.
